

Do you use a **Kroger Rewards Card**? You can help renovate **the Ray Township Public Library** by shopping at Kroger. Just designate the Ray Township Historical Society as your charity and Kroger will donate a portion of your purchases to The Friends of the Ray Township Library and Historical Society.

Sign in (or Register) at Kroger.com. Enter your email address and password. In **“My Account”**, go to **Community Rewards** – find your organization – type in **Ray Township Historical Society (or 84758)**.

Then “click” the circle to select the Society and save. Designate the Society again every April to ensure your purchases count. Thank you for your support!
